CARPOOL KOREA

OUR INVENTORY

YOUR GATEWAY TO KOREA'S VEHICLE MARKET

Carpool Korea connects global buyers with South Korea's vehicle market through our own inventory, local dealer stock, and auction sourcing.
We support every stage of the buying journey with professional inspections, purchase coordination, and comprehensive export services.

Inspection

Buy with confidence through detailed vehicle inspections, supported by clear condition reports, photos, and videos to help you make an informed decision before purchase.

Auction Sourcing

Access a wide selection of vehicles through K Car Auction, Auto Hub Auction, and Hey Dealer Auction, with Carpool Korea supporting vehicle selection, bidding, and purchase coordination.

Carpool Stock

Explore cars, buses, trucks, motorcycles, and parts sourced from South Korea, with dedicated purchasing and export support for dealers and buyers worldwide.

External Stock

Access a wider selection of Korean and imported vehicles from local dealers across South Korea, with Carpool Korea supporting vehicle selection, inspection, purchasing, and export coordination.
